COMPANY **PORTFOLIO**

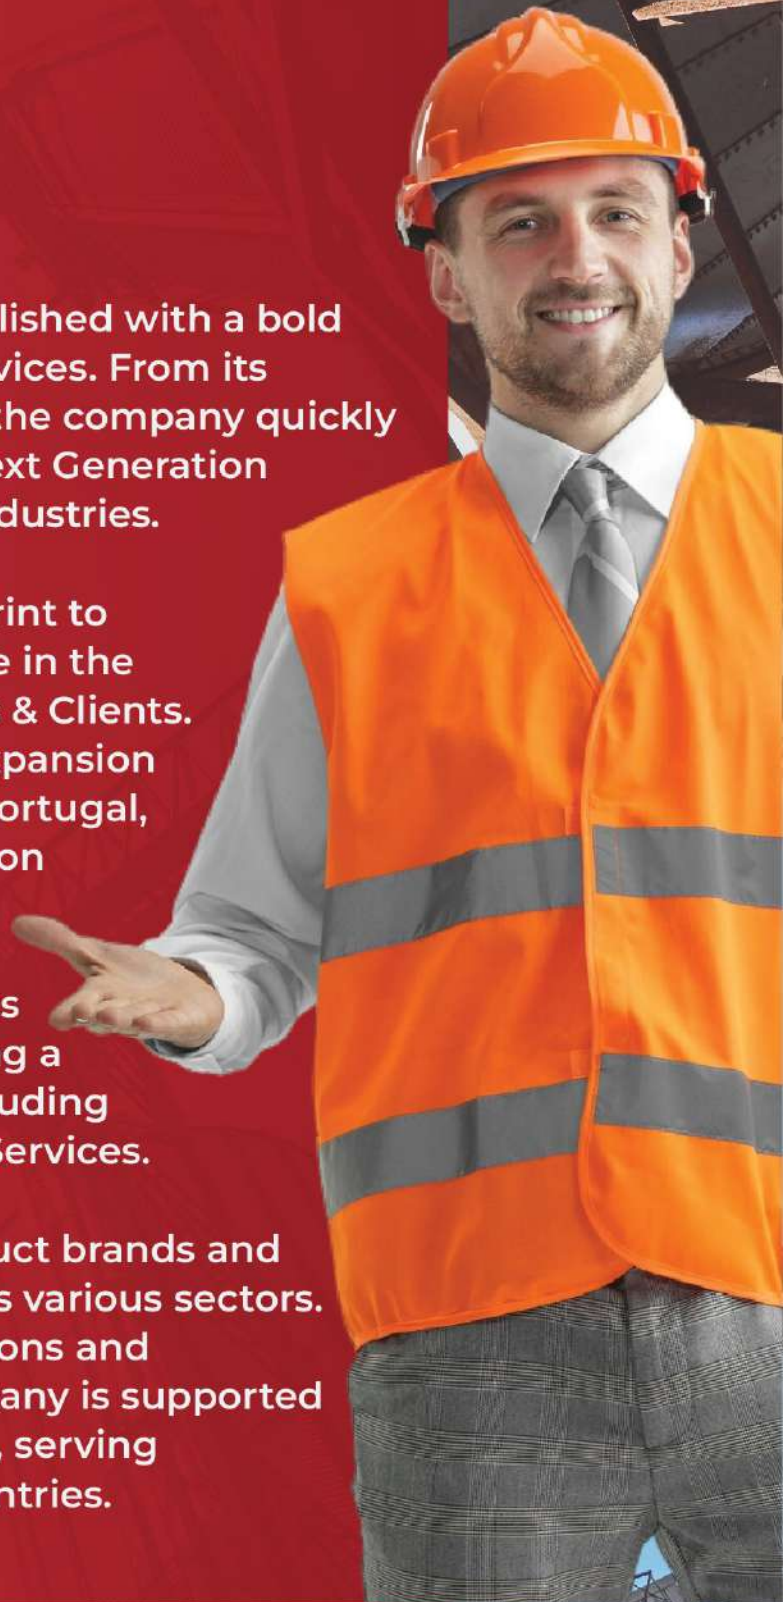

A Next Generation ITES company that works with Industrial IT Products & Solutions along with it's Software Development & Training Division.

WELCOME TO NGEN IT

Founded in 2009, NGEN IT was established with a bold vision to redefine the future of IT services. From its beginnings in the SAARC countries, the company quickly earned a reputation for delivering Next Generation IT-enabled Services across diverse industries.

By 2014, NGEN IT expanded its footprint to Singapore, gaining a strong presence in the APAC region for its Reseller partners & Clients. The company continued its global expansion in 2022 with its strategic entry into Portugal, marking a new chapter with a focus on Managed Services and Software Development for European clients. In 2024, NGEN IT proudly extended its expertise into the Middle East offering a comprehensive suite of services, including IT Products, Solutions, and Training Services.

Currently partnering with 350+ product brands and offering 45 industrial solutions across various sectors. With 12 international training affiliations and professional certifications. The company is supported by a network of 65+ reseller partners, serving 200+ satisfied clients across 40+ countries.

Our Commitment is Simple - TO BE YOUR SERVICE
PARTNER, Not the Material Supplier Only
